

Dear Sir/ Madam,

I am pleased to confirm that GIFTD is a long-term partner of Warner Music ltd. (the Russian branch of Warner Music Group).

GIFTD provides us with a technology of issuing and processing of electronic gift-cards for clients of our online record store "Vinyloteka" (<https://vinyloteka.ru>). We have chosen GIFTD due to ease of implementation and use of their solution as well as its high level of security.

Without any hesitation I can prove that the technology of GIFTD company lets us manage gift cards in a secured and comfortable way.

We are absolutely satisfied with our partnership with GIFTD and can recommend this company as a reliable and client-oriented partner.

Sincerely yours,

Alexander Tregoub
Commercial director
